WHO WE ARE

About Us

Zeroday Tax Consultancy provides comprehensive consulting services across **taxation**, **corporate** and **secretarial compliance**, **auditing**, and **management**. The firm employs advanced digital tools and maintains a multidisciplinary tax and compliance practice staffed by chartered accountants, ACCAs, ICMAAs, MBAs, LLBs, and other experts to deliver tailored solutions aligned with the needs of Pakistan's business environment.

Our team brings together decades of combined experience across diverse industries, enabling us to provide strategic guidance that drives measurable results for businesses of every scale — from startups navigating their first tax season to established corporations managing complex multi-jurisdictional compliance.

Mission
